The Debtor(s) requests that the Court determine the value of the lien of the following secured claim(s). For each secured claim listed below, the Debtor(s) states that the amount of the secured claim is as set out in the column headed "Secured Claim Amount." For each listed claim, the allowed amount of the secured claim will be paid in full with interest at the rate stated below, and the creditor will retain its lien to the extent of the value of the lien securing the creditor's allowed secured claim.

Unless the Court orders otherwise, the amount of a modified secured claim held by a nongovernmental creditor, as described in this Plan and treated below, is binding on the creditor and the Debtor(s) upon confirmation of this Plan, even if the creditor has filed a Proof of Claim setting forth a different amount.

Unless the Court orders otherwise, the amount of a secured claim of a governmental unit listed in an allowed Proof of Claim controls over any contrary amount listed below. The amount of a secured claim of a governmental unit may NOT be determined through this Plan.

An allowed claim of a creditor whose claim is secured by a lien on property in which the estate has an interest is a secured claim to the extent of the value of the creditor's interest, and is an unsecured claim to the extent that the value of such creditor's interest is less than the amount of the allowed claim. The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim in Part 5 of this Plan. If the secured claim amount is listed below as having NO value, the creditor's allowed claim will be treated in its entirety as an unsecured claim in Part 5 of this Plan.

In the description of collateral, include the registry of deeds/land court recording information for any real property for which you are modifying a secured claim.
